

Indian Institution of Bridge Engineers (IIBE)
In association with
Indian Institute of Technology Madras (IITM)

Invites you to

BRIDGE-2025

(CONFERENCE & EXHIBITION)

1st Announcement

"BRIDGE ENGINEERING IN VIKSIT BHARAT @ 2047"

VENUE

TTJ Auditorium, ICSR Building, Near Gajendra Circle, opposite Administration Building,
Indian Institute of Technology Madras, Adyar, Chennai, Tamil Nadu – 600036.

DATES

15th & 16th December, 2025

TIMINGS

10:00 Hrs. - 18:00 Hrs. (IST)

THEMES:

1. Accelerated Bridge Construction
2. Novel Materials in Bridge Engineering
3. Advancement in seismic and wind design of Bridges
4. New Development in Bearings, Expansion joints and Seismic devices
5. Digital Technologies in Bridge Engineering
6. Enabling Structures and their advancements

ABOUT IIBE

The Indian Institution of Bridge Engineers was established in 1989 by Late Shri Er. M. C. Bhide (Chief Engineer, Indian Railways) with the aim to promote bridge engineering.

Engineering is considered one part of larger topic of roads and highways. Indian Institution of Bridge Engineers aims at providing a platform to bridge engineers for dissemination of knowledge / new developments in bridge engineering.

I.I.B.E is proud that so far it has published more than 29,200 pages of technical literature including various conference documentation. I.I.B.E's work and unique role as a professional body in the sphere of Bridge Engineering has been greatly appreciated and applauded not only all over India but large number of countries in the world.

ABOUT IIT MADRAS

The Indian Institute of Technology Madras (IIT Madras) is one of India's premier institutions for higher education and research in engineering, science, and technology. Established in 1959 with technical and financial assistance from the Government of West Germany, it has grown into a globally recognized center of excellence. The institute's campus, located in Chennai, spans over 600 acres of lush greenery and is home to a unique ecosystem of students, researchers, and wildlife, including spotted deer.

IIT Madras consistently ranks among the top institutions in India and has been the highest-ranked in the National Institutional Ranking Framework (NIRF) for several consecutive years. It is also known for its strong emphasis on innovation and entrepreneurship, with the IITM Research Park serving as a bridge between academia and industry.

Professor V. Kamakoti, an alumnus of IIT Madras, currently serves as the Director of the institute, spearheading initiatives that reflect his commitment to fostering an inclusive and forward-thinking educational environment.
